

INTERNATIONAL SHRINE CLOWN ASSOCIATION  
Mid-Winter 2018 Las Vegas, NV

The proposal to add a new category to the Costume and Make-Up Competition starting with the Imperial Session in 2018 at Dayton Beach, FL. Has been passed. This is being done to recognize the changes in times and direction of many clowns who are using modified appearances in clowning. Unlike the traditional Circus Clowns where Make-up was designed to be seen from a distance, the new category is being proposed to meet the changes we are seeing in clowns who work close up events like hospitals, birthday parties, picnics, parades and other close up events.

New category "AUGUSTE LITE"

Guidelines for competing in the "Auguste Lite" category:

Make-Up:	The make-up is more European or Auguste looking but without a traditional muzzle. Make up does not "have to" cover the ears, neck or arms. However, facial foundation is required. Accents on the eyes, eyebrows, mouth and nose are smaller. A clown nose should be "painted on" or a smaller clown nose. No glitter.
Costume:	A knock off of the Auguste Clown. No shiny or sequin fabrics should be used. Should be a proper fitting costume.
Shoes	Clown shoes are optional, shoes should fit the over all look of the costume appearance.
Socks	Should match the over all look of the costume.
Pants	Can be street clothes, or custom made clothes for clowning but should be clown like in nature.
Shirt	Can be long sleeves, or short sleeves. Can be store bought, or custom made for clowning.
Vest	Vest is optional, should match the overall look of the costume, if used. Jackets are not allowed for this category.
Wig	Natural look of the hair, or no hair, should match the overall look and appearance, traditional clown wigs will not be used.
Hat	Optional, hat should match the over all look and appearance.
Accessories	Gloves are not used unless the fingers have been cut off. Buttons/tags are suggested. Bibs, Ties, collars should be smaller. Suspenders are recommended. Belts are OK. Other accessories as appropriate to compliment the overall look.
Overall Look	This is a new category. We are looking for a new simple yet humorous over all look. Should be a softer look. This category will evolve over time.
